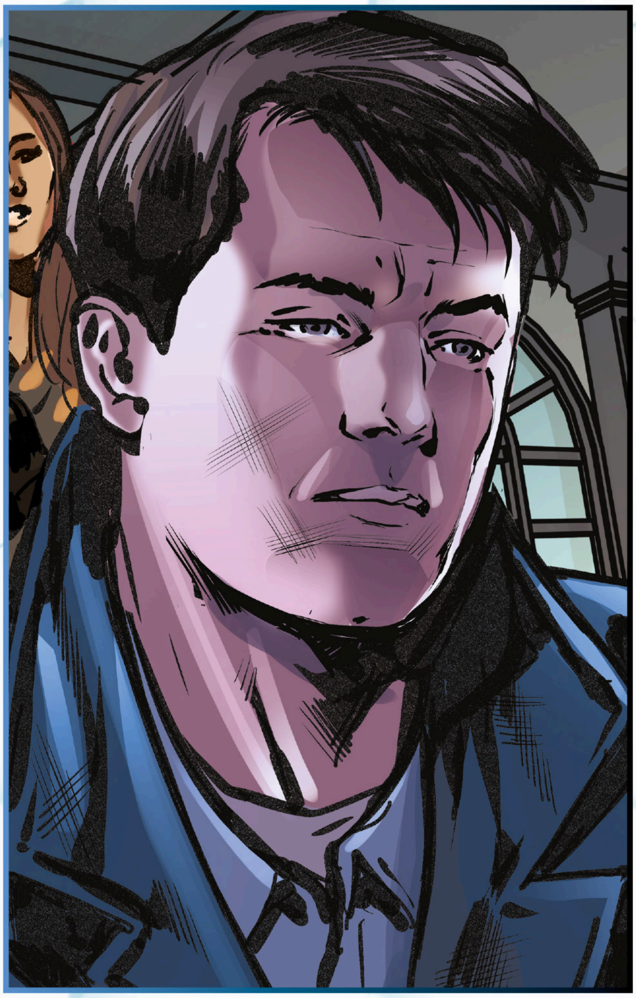
PREVIOUSLY IN TORCHWOOD

Gwen Cooper has been pulled away from her domestic bliss by the reappearance of Captain Jack Harkness, and his companions, the crew of the alien tech-filled ship the *Ice Maiden*. The team are investigating a mystery involving an alien race known as the Navigators, who intend to 'compost' the Earth for their own purposes, while the roguish Captain John Hart has returned as the partner in crime of the former Time Agent, Lady Karina. As we return to the action, Captain John tries to make a getaway, while Karina has Jack and Gwen at gunpoint...

CAST OF CHARACTERS

New to this and want to know who's who? Shelley, the Ice Maiden's A.I. fills us in on all we need to know, in her own special way...



CAPTAIN JACK HARKNESS

Immortal former Time Agent and erstwhile head of Torchwood. Few are immune to his charms, as attested by the large number who have succumbed to them...

Special thanks to Russell T Davies, James Goss, Scott Handcock, the Big Finish team, Mandy Thwaites, Andrew James, Edward Russell, Derek Ritchie, Kirsty Mullan, Kate Bush, and Ed Casey for their invaluable assistance.

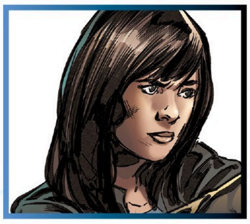
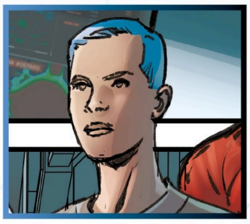
TORCHWOOD #2.2. APRIL 2017. FIRST PRINTING. Published by Titan Comics, a division of Titan Publishing Group, Ltd. 144 Southwark Street, London SE1 0UP. Torchwood is a BBC Worldwide Production for the BBC. Executive producers: Russell T Davies, Julie Gardner, and Jane Tranter. Original series created by Russell T Davies, and developed and produced by BBC Cymru Wales. BBC, 'TORCHWOOD' and the Torchwood word marks, logos and devices are trademarks of the British Broadcasting Corporation and are used under license. BBC logo © BBC 1996. All rights reserved. The *Ice Maiden* and its originated crew members are © John Barrowman and Carole E. Barrowman 2012, as originated in the Torchwood novel 'The Exodus Code'. With the exception of artwork used for review purposes, no portion of this book may be reproduced or transmitted in any form or by any means, without the express permission of the publisher Titan Comics or the BBC. Printed in USA. TC1728. Titan Comics does not read or accept unsolicited TORCHWOOD submissions of ideas, stories or artwork.



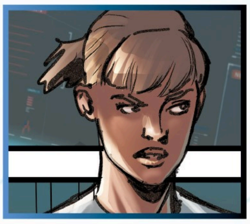
GWEN COOPER

Acting head of Torchwood Cardiff, partly because most of their operatives have now left this mortal coil. Former police officer, who now operates outside the law. Somewhat argumentative, to say the least.



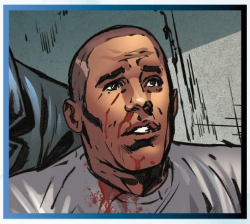
SHELLEY

The ship's A.I avatar, as others would so crudely put it, and in many ways the true captain of the *Ice Maiden*, if I may say so myself. Vastly under-appreciated by those around me.



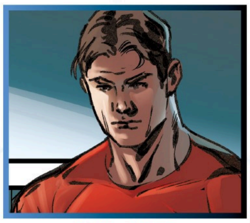
DANA MACLEISH

The *Ice Maiden*'s captain, and something of a mystery woman. Interesting tattoo, not that I've been looking…



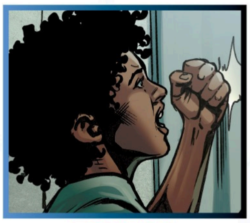
HOLLIS

Expert in how to handle a weapon, as Captain Jack would no doubt attest. Useful in the kitchen too. Joins the very long list of the captain's paramours. Oh to be a member of that illustrious company…



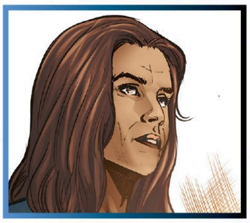
VLAD

A former convict, and former Russian, and now valued member of the *Ice Maiden*'s crew. Burly, and adorned with many tattoos, if you like that kind of thing. I believe I could be persuaded…



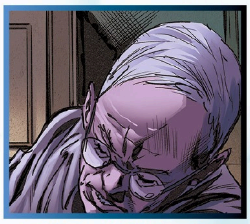
RONA

Mysterious stowaway about whom there seems to be a lot more than meets the eye. Rather economical with the truth, though voluble with it. Currently spending some time in custody.



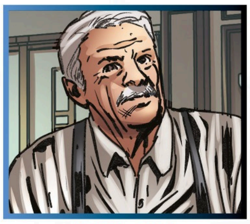
LADY KARINA

Second wife of Sir James Sterling, and far from a lady. The couple have had their differences, not least her playing a part in trying to have him murdered. I believe that would count as 'irreconcilable.' She travels in a 'TARDIS' that is most definitely not bigger on the inside.



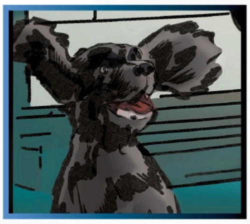
SIR JAMES STERLING III

Lord of Torchwood House, and a poor judge of wives, to judge by Lady Karina. Believed dead, but now proved to be very much alive, unless her ladyship makes another attempt to rid herself of him.



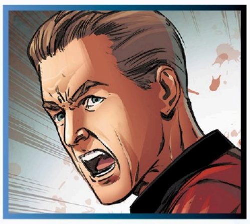
GILLY

Sir James' loyal-to-a-fault butler, and not an admirer of his employer's latest wife, whose plans he has done his best to foil. It would seem he is a better judge of character than his employers.



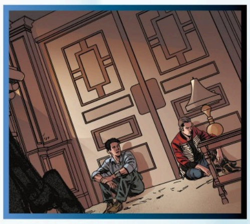
LEWIS

Sir James' pet cocker spaniel. As loyal as Gilly, although he was rather more taken in by Lady Karina.



CAPTAIN JOHN HART

Former Time Agent turned intergalactic rogue, and former lover of Captain Jack Harkness. Often tries to kill his old flame, a decision that is perhaps understandable, depending on who you ask.



TORCHWOOD HOUSE

Stately home that marks the spot where Torchwood was formed – thanks to a visit from Her Majesty Queen Victoria, a werewolf and a certain roving Time Lord. Something very strange indeed is happening in the Observatory…

This volume takes place after the *Torchwood* novel 'The Exodus Code' and volume one of the comic series, 'World Without End.'
